

November 2, 2022 Board Meeting Minutes

PTA's mission: ...to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

- **Board Business:**

- Thank you to Britanie for her work on the fundraiser! It was a great success, earning the PTA \$5891 with a combination of purchased donuts and cash donations. Thank you to everyone who donated!!
 - Prizes for donut purchases were pulled from the movie night concessions. Funding will be moved from that category to the fundraiser in the general budget.
 - Looking for a new fundraiser next year.
 - How do we distinguish our fundraiser from the school's 5k?
- Please turn in any receipts you have.
- Thank you to Kari Saberon for all her hard work on the Book Fair. Our totals surpassed all other book fairs! The money was split between the teachers and library. Thank you to everyone who purchased books!
- PTC dinners were fantastic. Thanks to Lauren Hunter for putting that on. The food truck was great!
 - Feedback was mixed: some teachers like food in the lounge, some loved the convenience of the food truck.
 - Not all staff were given food tickets, will reevaluate to fix for next time.
 - If we use a food truck again we need to specify exactly what the ticket is for.
 - T-shirt sales were profitable in the amount of \$733, shirts were distributed.
 - Reflections was a success with more students participating this year. Good job students and thanks to Ellie Gilbert for all her hard work making this year a big success!
 - Next year we may need to educate more on plagiarism as it was a problem this year.
